Re: Information request of CERCLA and Section 3007 of RCRA for
the Coakley Landfill

Dear Mr. Marchessault:

In regards to your request for information, please be advised that this
place of business at one time was a small gas station. On May 24, 1988
I had all tanks removed by CAB SERVICES, INC., from Dover, N.H. (job #0180).

All waste was disposed of by BFI, if there are anymore questions in re-
gards to this matter, please notify me.

Sincerely,

Bruce Osborn
